1. Authority

Chapter Leaders serve at the discretion of central leadership and do not own or control FBL

chapters.

- [ ] I understand Chapter Leaders serve **at the discretion of FBL central leadership**.
- [ ] I understand chapter leadership roles are **revocable** and are not ownership, equity, or independent authority over FBL.
- [ ] I understand final authority for removal and succession decisions rests with **FBL central leadership**.

2. Grounds for Removal

Removal may occur for nonprofit risk, brand violations, cultural harm, governance issues, or reputational damage.

- [ ] I understand **nonprofit and legal violations** (political activity, lobbying, misuse of funds/resources) are grounds for immediate action.
- [ ] I understand **brand and representation violations** (unauthorized marks, messaging, sub-branding, misrepresentation) may trigger removal.
- [ ] I understand **cultural and leadership failures** (pitch culture, quotas, pressure tactics, transactional behavior) may trigger removal.
- [ ] I understand **governance and conduct issues** (insubordination, misuse of member data, reputational harm, failure to escalate risks) may trigger removal.

3. Removal Process

FBL may remove immediately in urgent risk cases, or use a corrective path when appropriate.

- [ ] I understand FBL may execute **immediate removal** without prior notice to protect nonprofit compliance, finances, and reputation.
- [ ] I understand in non-urgent cases, FBL may use a **corrective path** (notice, timeline, expectations) at its discretion.
- [ ] I understand corrective action is **optional** and is not guaranteed.

Reality: Mission protection outweighs individual position. Culture protection outweighs convenience.

4. Suspension Authority

FBL may suspend leaders while reviewing issues or stabilizing a chapter during transition.

- [ ] I understand FBL may temporarily suspend a Chapter Leader during review or investigation.
- [ ] I understand suspension does not necessarily imply wrongdoing, but preserves organizational integrity.

5. Succession Protocol

Upon removal or resignation, FBL may appoint interim leadership and approve permanent successors.

- [ ] I understand FBL may appoint an **Interim Chapter Leader** (internal or external) to stabilize chapter operations.
- [ ] I understand there is **no automatic succession**; permanent leaders must be approved by central leadership.

- [ ] I understand successors must complete required documents (Leader Agreement, Leadership Acknowledgment, and any launch/relaunch gating).

6. Chapter Continuity

Chapters belong to FBL; removal of a leader does not dissolve the chapter.

- [ ] I understand chapters belong to **FBL**, not individual leaders, and may be paused, restructured, merged, or relaunched by central leadership.
- [ ] I understand member continuity and trust take priority over individual leadership roles.

7. Communication Standards

Leadership transitions are communicated minimally and professionally. Confidentiality is expected.

- [ ] I understand leadership changes may be communicated without public justification or debate.
- [ ] I agree to maintain confidentiality and avoid public disputes that damage member trust.

8. No Entitlement

Leadership is service, not a right. Removal decisions are final.

- [ ] I understand chapter leadership is a **service role** and not an entitlement.

- [ ] I understand removal decisions are final and there is no guaranteed appeal or reinstatement process.
